# Memorandum of Understanding (MOU)

This Memorandum of Understanding (MoU) is made on 04/07/2018 between KMCT College of Allied Health Sciences, represented by Prof. Santheep S, Director cum Principal, and Mohammed Shafaf C T, Managing Director of Spine Orthosis and Prosthesis, located at 33/2270 A, LIC Junction, Doctor's Colony, Manjeri, Malappuram, Pin - 676121.

WHEREAS, KMCT College of Allied Health Sciences is an esteemed educational institution offering various programs in the field of health sciences, and

WHEREAS, Spine Orthosis and Prosthesis is a reputable company engaged in the manufacturing of orthotic and prosthetic devices, as well as various assistive devices for differently-abled individuals, and

WHEREAS, Spine Orthosis and Prosthesis also undertakes government projects, conducts camps, and supplies devices for differently-abled persons throughout Kerala,

NOW, THEREFORE, the parties agree as follows:

1. Collaboration: KMCT College of Allied Health Sciences and Spine Orthosis and Prosthesis shall collaborate in the areas of orthotic and prosthetic manufacturing, manufacturing of all assistive devices for differently-abled individuals, and executing government projects, camps, and supplying devices for differently-abled persons throughout Kerala.

2. Resource Sharing: Both parties shall share relevant knowledge, expertise, and resources to ensure the successful execution of the aforementioned activities. This includes sharing technical know-how, research findings, and other necessary information.

3. Training and Development: Spine Orthosis and Prosthesis shall provide training opportunities to the students of KMCT College of Allied Health Sciences in the field of orthotic and prosthetic manufacturing, as well as assistive device manufacturing. This will enhance the practical skills and knowledge of the students.

4. Quality Assurance: Spine Orthosis and Prosthesis shall maintain high-quality standards in the manufacturing of orthotic and prosthetic devices and assistive devices for differently-abled individuals. They shall comply with all relevant regulations and standards set by the government.

5. Project Execution: Spine Orthosis and Prosthesis shall actively participate in government projects related to the manufacturing and supply of devices for differently-abled persons throughout Kerala. They shall ensure timely execution and delivery of these projects.

6. Confidentiality: Both parties shall maintain the confidentiality of any proprietary or sensitive information shared during the course of this collaboration.

7. Duration: This MoU shall be effective from the date of signing and shall remain in force for a period of 10 years. Either party may terminate this agreement by providing a written notice of 1 month to the other party.

8. Amendments: Any amendments or modifications to this MoU shall be made in writing and signed by both parties.

IN WITNESS WHEREOF, the parties have executed this Memorandum of Understanding as of the date first above written.
